

Title IX

Title IX of the Education Amendments of 1972 states, “No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance.” This covers faculty, staff, students and visitors, and behaviors that occur on and off campus. All UHCL faculty and staff are required to report all violations of UHS Sexual Misconduct Policy.

There is no time limit to report or file a complaint. The Title IX Office is committed to creating and maintaining an educational and work environment free from all forms of sexual harassment, sex discrimination and intimidation where all students, faculty and staff can learn and work.
